-----------------------------------	--

Course Information/Syllabus	http://www.sciencespo-lille.com/current-internationalstudent/international-exchange-students/courses
Course Selection/Procedure	The student will select her/his courses during the first two weeks at Sciences Po Lille.
Our Academic programs	<p>As international exchange student, they will be able to choose between 3 different programs</p> <p>Please note that all courses are graded separately and each provides a set number of ECTS which can be viewed in our courses catalogue. The courses catalogue for the following academic year is published in July.</p> <p>Exchange students program</p> <p>Certificat d'Etudes Politiques (CEP)</p> <p>Certificate of European and International Studies (CEIS)</p>
Course Load per semester	All depends on the needs of the students. Please note that most of the courses are worth 5 ECTS or 6 ECTS.
Language of Instruction	<p>A majority of courses are taught in French language.</p> <p>We propose enough English taught courses for students with no French to complete an entire semester (or academic year).</p> <p>We also offer 4-5 courses in Spanish each semester.</p>

Campus Facilities and accommodation	<p>Our Institute is not located on a campus so we cannot provide/secure accommodation for students. But Lille is a great metropolis which offers many facilities and lodging for students.</p> <p>SPL proposes an housing platform which provides many options for exchange students:</p> <p>http://www.sciencespo-lille.com/housing-solutions</p>
